

# Penalty Summary

## Second-Quarter Penalties April-June 2000

00-151

**NOTE TO NEWS EDITORS AND DIRECTORS:** The Washington Department of Ecology has a policy of notifying reporters about all penalties we issue that total \$1,000 or more. For significant penalties of \$10,000 or more, you are notified right away via news release. Then, every three months, we issue a roundup of all penalties greater than \$1,000. The following is a summary of those penalties for the second quarter [April, May and June] of 2000.

Date of Issue	Company/Individual	City of Violation	County of Violation	Description of violation	Penalty Amount
23-May-00	Dutch, Inc.	Clarkston	Asotin	Air emissions from silica sandblasting without proper containment.	\$10,000
14-June-00	Fort James Corp.	Camas	Clark	Failed to properly handle hazardous waste.	\$9,500
